SUMMER JOB OPPORTUNITY

RIVER KEEPER - GREEN TEAM

POSITION: River Keeper on the urban Seine River (3 positions for 400 hours, 1 position for 150 hours)

DATE: After the May long weekend through August 15, 2015

RATE: \$11.20/hour

Save Our Seine is looking for four physically-fit young people who:

- Would like to work outdoors in a natural setting on the Seine River
- Want to help keep the environment clean
- Do not mind getting their hands dirty and their clothes grimy and wet
- Enjoy physical work carried out in a small, energetic, hard-working team
- Are 16 to 29 years old

The job involves working on a team of 3 to 4 people to carry out the following activities:

- Working outdoors all day on the Seine River Greenway within Winnipeg
- Removing garbage, trash, and woody debris from the Seine River, often using a rowboat and other tools
- Cleaning and maintaining walking paths and riverbanks along the urban Seine River
- Removing invasive plants along the riverbanks
- Providing set-up and clean-up support for Save Our Seine's outdoor events

Save Our Seine will provide safety training so you can work safely and effectively. You will be expected early in the morning promptly at mutually agreed-upon time near Bishop Grandin and St. Anne's Road. There is a 55 bus stop nearby.

DEADLINE FOR APPLICATIONS: May 1, 2015

CONTACT: Send a current resume to the attention of Mark Lussier, Summer Clean-up Coordinator at earthandgrass@hotmail.com or call David Venema, Board Green Team Supervisor at 204-256-0341.
